## Equipping and Empowering Families and Students Through Christ

Chapel offerings: So far this quarter we have a total of \$99.90 for Love Inc.

### REMINDER:

There will be no bussing on Wednesday, November 27. HLWW does not have school that day. If you are in need of help getting your child(ren) to or from school that day, please contact the office. We will gladly help you with transportation questions.

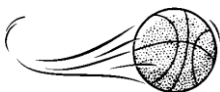

Save Thursday, Dec. 5 from 6:30-8:00 p.m. on your calendar for the Craft Night sponsored by the PTL.

There will be several different crafts to make and take.

The next scrip orders are due on Friday, December 13. These make great gifts or can be used yourself as you are out shopping for gifts, gas, and food. Your family, or the family you designate on the form, receive tuition credits for next school year. There are forms available at the front desk, on the Fast Direct website, and you may also order directly online through the Raise Right program. If you want to use the online option, contact the school office for the invitation link to access the St. James section for Raise Right.

All parents received a link through Fast Direct, to sign up for desserts for Tuesday, November 19. The students will have a special Thanksgiving meal that day. If you are able/willing to provide a dessert that day, the students will be very grateful!

The 5-6<sup>th</sup> grade boys basketball team has started their season. Thanks to coach, Carson Woolhouse and assistant coach, Lance Luchsinger for their willingness to teach the boys skills and sportsmanship. You can come and cheer them on at their next home game on Tuesday, November 19 at 4:00 p.m. when they take the court against Zion Cologne.

## Sunday, November 17

8:00 and 10:30

Worship Services

### Choir:

8:00 a.m.

Grades 3-4 Choir

## Wednesday, November 20

### Chapel Service:

8:20 a.m.

Vicar Totenhagen

In Our Prayers: This upcoming week please include these in your prayers:

- Thank God for the salvation purchased for us through Christ's suffering, death, and resurrection.
- For health and safety for our families.
- For those who are ill, especially Amanda Kotila, Mrs. Olsen's father, Kayden's grandpa, Bradley, Lucas, Emma, Harvey, Addie, and Mia's great grandma, and Pastor Loeslie.
- For the service that Love Inc. provides in our community.
- For missionaries and their families serving around the world.
- For police, firefighters and EMTs who faithfully serve our communities.
- For hearts and minds that are open to your word and ready to share that word with others.
- For the leaders of our country to make wise laws and lead with integrity and honor.
- For the homeless, unemployed and underemployed.

Although we've been blessed with a very warm fall, it's that time of year to pay attention to school closing notices. St. James follows the decisions made by the Howard Lake-Waverly-Winsted school district. So if you see #2687 HLWW closed or having a late start, or early dismissal, that includes our school. You will also receive messages by phone and email from us to alert you to changes in the school day.

### Celebrate St. James

A total of \$12,359.45 has been generously given to help us continue our mission to our students and their families. Thank you to everyone who has already donated!

## Next Week at St. James

**Website:** [www.stjameshl.org/school](http://www.stjameshl.org/school)

### At the reception desk:

- Scrip order forms
- Lunch menus
- School newsletters
- Church newsletters
- Yearbook order forms

### Chapel offerings: So far this quarter we have a total

of \$99.90 for Love Inc. Because our families met the first quarter goal, the Student Council provided ice cream for dessert with today's lunch!

**Reminder** As the temperatures drop, please be sure to send coats, hats, mittens/gloves etc. with your child(ren) so that they are prepared for outdoor recesses.

# November

**Two representatives from Wright Hennepin** gave an electric safety demonstration to the third grade class recently. They shared ways to keep our homes safe from electrical fires. By using models of cars, equipment and people, the representatives could demonstrate the extreme danger of coming into contact with live power lines. The boys and girls also learned about what makes a good conductor for electricity.

Wright Hennepin also delivered nightlights as a gift to the Kindergarten class. Thanks to Wright Hennepin for helping educate us, and providing lights for our bedrooms.

**The first graders created a pumpkin patch.** Each pumpkin's conversation bubble lists something we can do to be kind or helpful to others.
